Items will be consigned for a period of approximately 90 days. You will receive 40% of the selling price. All About Kids will price the items and reserves the right to mark down for sales, promotions, etc. After approximately 60 days the items priced less than \$25 will be reduced by 50%. At 90 days all items become the property of AAK and may be further reduced or discounted. If you choose to reclaim the items before the last week of the consignment period, All About Kids will be owed 60% of the asking price and payable before taking the item. It is the responsibility of the consignor to know when their items are expiring, have sold, etc. Payment for sold items will post to your account 10 days after the sold date and will be available for pick up in the form of cash, check or store credit. When cashing out accounts, there will be a \$5.00 check fee deducted. This fee does not apply to store credit. Payouts are not made in the months of January, April, and July or at any given time AAK deems needed. You may still shop with store credit (year-round) or pick up your balance during other months. AAK reserves the right to choose specific drop off times due to volume and does so at the interest at both the consignor and the store. We will process items in the order in which they are received. Depending on volume, items may not be inventoried for 3-7 weeks. To help speed up the process: Toys and games must include all parts and pieces. Small pieces must be in a Ziplock bag.

Clothing must be clean, pressed, free of stains and odors, in excellent condition and currently in style. **We do not accept bras, underwear, stained items, pillows, incomplete bedding sets, potty seats, or stuffed animals.**

AAK assumes NO responsibility for lost or damaged items on consignment due to acts of nature, theft, loss, or any other cause.

I hereby warrant that I complete title to the merchandise consigned and I will not hold AAK responsible for any claim of title to it. I have completely read and understand the agreement.
